

## A LETTER FROM THE 2012 ROBERT A. DAVIS SCHOLARSHIP RECIPIENT

I am so honored to have received such a wonderful and noteworthy scholarship. As the recipient of the Robert A. Davis Memorial Scholarship, I am inspired and motivated to continue to pursue the knowledge, personal growth and professionalism necessary to lead and promote student's success and development in Higher Education.

I truly thank the committee and national board for having faith in me as I continue to pursue my passion of learning from my professors, collaborating with other graduate students, as well as most importantly learning how to effectively serve students in this world of Higher Education.

Like Mr. Robert Davis, I understand the sacrifices it takes to obtain what seems unattainable. I will use these funds to 1) register for the upcoming regional conference to be held in Buffalo, NY, 2) pay for my room & board, and 3) to offset summer 2012 class tuition.

Thank you, again.

Sincerely,

Kia C. Brooks
