**A LETTER FROM THE 2022 ROBERT A. DAVIS
ENDOWED SCHOLARSHIP RECIPIENT**

Dear RAD Scholarship Committee:

Words cannot express how thankful I am for this amazing gift! I appreciate your time, generosity, and thoughtfulness throughout this selection process. I am sure it was not an easy decision!

I am excited to share with you all what I learn from the ACPA conference this March in St. Louis. I am anticipating a very informative, engaging, and enriching experience with peers who are also committed to the success of today's college students. Furthermore, I am looking forward to applying what I learn at this conference to my daily work in the Admissions Office at Buffalo State College.

When I look at the rich and heartfelt history of this scholarship, I feel honored to have even been considered for such an amazing opportunity. Your generosity will undoubtedly support me throughout my career but will more importantly support the students with which I will work in the future. Thank you again for your commitment to service in the community. As a professional, as an advocate, and as an individual, I will do everything I can to carry out the example of service and scholarship that you all set every day.

Sincerely,

Angelina G. Champagne
