BUFFALO STATE
The State University of New York

PEOPLE.
PURPOSE.
POSSIBILITY.

TURN YOUR EXPERTISE INTO GREATER IMPACT.

Dietetics to Adult Education 4 + 1 Pathway

Build on your dietetics and nutrition degree with graduate study in Adult Education.

SAVE TIME & MONEY
Earn graduate credits during your senior year at undergraduate tuition rates.

BUILD ON YOUR EXPERTISE
Combine dietetics, nutrition, wellness, and adult learning to create change.

GET A HEAD START
Complete up to 9 graduate credits before finishing your bachelor's degree.

SEAMLESS PATH TO THE M.S.
Graduate credits apply to the Adult Education M.S. Graduate application fee waived.

HOW IT WORKS

1. **Complete Your Dietetics and Nutrition Undergraduate Degree.**
2. **Apply during your junior or senior year.**
3. **Take up to 9 Adult Education** graduate credits during your senior year.
4. **Complete the Adult Education M.S.** in just one additional year after graduation.

Nourishing People. Expanding Opportunities. Creating Lasting Change.

WHY ADULT EDUCATION?

Adult Education prepares you to work with diverse learners in health and wellness programs, community organizations, nonprofit agencies, government, workforce development, and higher education.

REAL-WORLD RELEVANCE
Apply your knowledge to address real needs in health, education, and community settings.

FLEXIBLE & 100% ONLINE
Designed for today's learners and tomorrow's leaders.

EARN MICRO-CREDENTIALS
As part of your degree, you can earn microcredentials in Grant Writing, Human Resource Development, Instructional Design, and/or Online Teaching.
